Mayali Consulting	CB-8842-2025	September 4, 2026	September 4, 2026

Dear Customer,

This is a courtesy reminder that your CloudBase hosting subscription will expire on **September 4, 2026**. To ensure uninterrupted service for your production workflows, we recommend renewing before this date.

Your current plan is the **Professional VPS (4 vCPU, 8GB RAM)** at \$89/month. Renewal terms remain unchanged. You may also upgrade to Business tier at this time if desired.

To renew, simply reply to this notice or log in to your account portal. No action taken before the expiry date will result in automatic suspension of the service.

Thank you for choosing CloudBase.
