Subject: GDPR compliance documentation request — response required by August 12, 2026

Dear Mr. Messika,

We represent one of your EU-based clients in a routine data-processing review. As part of this review, we require the following documentation regarding your handling of their customer data:

- Your current Data Processing Agreement (DPA)
- A description of any sub-processors involved (n8n, AI vendors, hosting, etc.)
- Your retention policy for personal data flowing through automated workflows

Please provide the above materials **no later than August 12, 2026**. Failure to respond within this window may require our client to suspend the engagement pending clarification.

We remain available for a call should you need any clarification on the scope of this request.

Sincerely,
Elad Ben-Ami, Adv.
